A WISE MAN ONCE SAID that our decisions determine our direction and our direction determines our destiny.

We stand with you in faith for God’s help in making the right decision concerning your spiritual education. We know full well that the course of your life and ministry—and your ultimate success—depends greatly on quality decisions.

We would consider it an honor if God chooses to use us in helping you prepare for your future and to pour into your life knowledge and spiritual endowments that will help you fulfill God’s call on your life.

We desire to set forth in this **Student Handbook and Course Catalog** a simple, yet comprehensive overview of our purpose and the programs we offer. Our Spirit-filled programs focus primarily on equipping students for ministry within the local church. Our anointed ministers and teachers bring a wealth of experience to each program and course.

The School of Theology and Biblical Studies is the foundation of our program. The emphasis on the teaching and preaching of God’s Word is central to all other ministries of the Church and is, therefore, our major focus. Evangelism and discipleship— the two parts of the Great Commission— are the ultimate purpose of the Church. We cannot afford to lose sight of this “first love.”

The School of Pastoral Ministry prepares the student with a rich, well-rounded program encompassing some elements of Church administration, Christian counseling, music and theology, preparing the pastor to lead the church in all areas of ministry.

Our School of Christian Education prepares the student for Christian Education within the church as well as for Primary and Secondary Christian
Your reward from God will be based on your obedience to His call on your life, whether in full-time ministry or as a lay worker in the church. We commit ourselves to assist you in every way possible in the preparation for that call.

We accept, as a mandate from God, the words given by the Apostle Paul to his son in the faith, Timothy, when he said, “The things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also” (2 Timothy 2:2).

God bless you for your obedience to God’s call on your life. May your decisions be accurate, your direction be sure, and your destiny be one of greatness in God’s Kingdom.

In His service for a quality, spiritual education,

Douglas J. Wingate, Ph.D., D.Min., D.D.
President & Founder
We consider the following truths to be fundamental to an understanding of our relationship to the One True and Living God.

**One True God**

The One True God is the eternally self-existent "I AM," the Creator of the universe. He has further revealed Himself as a triune Being, manifested as Father, Son, and Holy Spirit.

**Scriptures Inspired**

All Scripture is verbally inspired by God as written in the original languages and is inerrant revelation of God to man. The Bible is the infallible authority for faith and conduct.

**The Lord Jesus Christ**

The Lord Jesus is 100% divine (Son of God) while simultaneously being 100% human (Son of Man). As God Incarnate, He is the express image of the Living God in human form.

**Original Sin & The Fall of Man**

Man was created good and upright in the image and likeness of God. The first man, Adam, through disobedience, fell from the grace of God and, thus, sin and death entered into the world. Adam’s transgression incurred not only physical death for man, but also spiritual death which is eternal separation from God. Man’s propensity to sin because of his sinful nature necessitates salvation from the power of sin and a Savior to provide that salvation.

**Salvation of Man**

Man’s only hope of redemption and salvation from sin is through the shed blood of the Lord Jesus Christ. His blood is completely sufficient to deliver every person from the power and penalty of sin.
THE CHURCH & ITS MISSION

The Church is the Body of Christ and is comprised of all believers. God inhabits the Body of Christ by the Holy Spirit both individually and corporately. Since God's purpose concerning man is to seek and to save that which is lost, to be worshiped by man, and to build a body of believers in the image of His Son, the Church's responsibility is: 1) to evangelize the world, 2) to be a corporate body in which man may worship and glorify God, and 3) to equip the saints for the work of service.

BAPTISM IN WATER

Baptism by immersion in water is commanded in the Scriptures. All who repent of their sins and believe in Christ as Savior and Lord are to be baptized.

HOLY COMMUNION

The Lord's Supper, consisting of bread and a cup of the fruit of the vine, is a memorial of Jesus' suffering and death and a celebration of His resurrection to be enjoyed by all believers until He comes again.

BAPTISM OF THE HOLY SPIRIT

The baptism of believers in the Holy Spirit is evidenced by the initial physical sign of speaking with other tongues as the Holy Spirit gives utterance. This experience is distinct from and subsequent to the experience of the new birth. With the baptism of the Holy Spirit comes the enduing of power for life and service and the bestowing of spiritual gifts.

EVER-INCREASING FAITH

Faith of the heart is based on the hearing (spiritual understanding) of God's Word. Without faith it is impossible to please God. Christians are saved through faith, justified by faith, shall live by faith, and overcome the world by faith.
DIVINE HEALING
Divine healing is provided for in both Old and New Testaments and is integral to the Gospel.

THE SECOND ADVENT OF CHRIST & THE FINAL JUDGMENT
As the climax to God’s dealing with man, Jesus is coming again. At that time, there will be a resurrection of the righteous and the wicked. The wicked will be judged and the righteous will be ushered into the everlasting Kingdom of God.
The types of certificates, diplomas, & Christian degrees offered are listed below:

▼ Audit Certificate

Our Audit Program is for those individuals attending strictly for their own personal spiritual growth. Audit students must view all lectures and read all textbooks. Audit students will receive a certificate of attendance for each 30-credit-hour program completed. If they so desire, audit students may later convert their audit credit to academic degree credit by completing the additional work requirements (tests, papers, and labs) and paying the additional tuition for the degree program.

▼ Diploma

A Diploma in Theology is awarded to a student who successfully completes their designated first-year program for academic credit (30 credit-hours total).

▼ Associate’s Degree

An Associate’s Degree is awarded to a student who successfully completes their designated second-year program for academic credit (60 credit-hours total).

▼ Advanced Diploma

An Advanced Diploma is awarded to a student who successfully completes their designated third-year program for academic credit (90 credit-hours total).

▼ Bachelor’s Degree

A Bachelor’s Degree is awarded to a student who successfully completes their designated fourth-year program for academic credit (120 credit-hours total).
DIPLOMAS & DEGREES

**MASTER’S DEGREE**

A Master’s Degree is awarded to a student who successfully completes a minimum of 36 credit-hours above the Bachelor’s Degree program for academic credit. These courses should be within the student’s chosen major (three electives are permitted).

**DOCTORAL DEGREE**

A Doctor of Ministry (D.Min.) is awarded to a student who successfully completes 45 credit-hours above the Master’s Degree program for academic credit.

---

**ALL STUDENTS**

All students are required to complete Program #1 courses either by class instruction or by transfer from an approved institution.

Formal teaching and preaching experience may qualify a student for Bible Teaching Experience (BTE) credit. Up to 30 credit-hours of BTE credit may be awarded toward a Bachelor’s Degree. Up to 9 credit-hours of BTE credit may be awarded toward a Master’s Degree. Experienced ministers should see the *Bible Teaching Experience Application* form in Appendix A for details.

**NOTE:** For a degree in Theology, Programs #1, 2, 3, 4, and 5 must be taken in order - even if a student has advanced placement because of transfer credits or BTE credit.

*For details on programs and course descriptions, see the LCU Course Catalog beginning on page 25.*
LOW TUITION PHILOSOPHY

LCU has the philosophy that a quality, spiritual education that trains individuals for service to the Lord Jesus Christ should not leave them with oppressive financial debt. This is one reason that we have not pursued the costly regional accreditation that would qualify us to offer government-guaranteed student loans and other government programs. Universities offering such loans generally charge the maximum tuition allowable, leaving the student with a sizeable debt at the completion of their education. For those called to the ministry, it can be very difficult to obey God’s calling with this type of debt lingering over their finances. Therefore, we chose a less-costly, independent accreditation. Our approach is to provide the most affordable, highest quality, spiritual education that we can as a ministry to the Lord and to His servants.

STUDENT LOANS

Our policy is to provide an in-house, interest-free, student loan in the form of a “pay-as-you-go” program rather than requiring the student to pay the full tuition at the beginning of each semester.

An advantage of the LCU Online™ approach is flexibility of schedule. Students can finish their programs of study or achieve their educational goals over a period of time convenient to them. Their own personal preferences, work schedules, and their own finances determine the speed at which they progress.

Students must pre-pay each course. There are no provisions for partial payments.

UNDERGRADUATE PROGRAM TUITION

The cost of an undergraduate course is $175 ($58.33 per credit-hour) and includes primary textbook costs. There are 9 courses in each program plus
Ministry Practicum totaling 30 credit-hours, all of which typically require one academic year to complete when taken at Main Campus.

**MATRICULATION FEE**

Some students transferring in may have accumulated enough credit hours from various approved academic institutions to qualify for a matriculated Christian degree. The courses must be similar in nature to those we offer. There is a $500 fee to matriculate a Bachelor’s Degree.
\textbf{ENTRANCE REQUIREMENTS}

\textbf{Undergraduate Requirements}

Applicants desiring to enter a Christian degree program must have either:

- Earned a diploma from an accredited high school
- Passed the General Equivalency Diploma (G.E.D.) test, or
- Can document an equivalent education.

\textbf{NOTE:} Students without proof of high school will receive a Certificate of Completion. After completing 60 credit hours as a certificate student (earning a GPA of C or better), they will have demonstrated their ability to study at the university level and may enroll in the university and begin to earn credits toward a degree. (The 60 hours of Certificate study do not count toward their degree.) Audit students do not need a high school diploma.

\textbf{Master's Requirements}

Theology candidates must have earned a Bachelor's Degree with a theological major from a recognized college or university (leveling courses may be required). If the Bachelor's Degree is in an unrelated field, 60 credit hours of biblical foundation courses are required before starting at the Master's level.

\textbf{First-Level Doctoral Requirements}

To enter the Doctor of Ministry (D.Min.) program, a student must have earned a Master's Degree with a theological major from a recognized college or university (leveling courses may be required.)

\textbf{Second-Level Doctoral Requirements}

To enter the Doctor of Philosophy (Ph.D.) program, the student must have completed one of LCU's 45-credit-hour D.Min. programs and have completed a minimum of 10 years of full-time ministry.
ADVANCED PLACEMENT CREDITS

Transfer Credits

Students transferring credit from another institution of higher learning must provide official, sealed transcripts. (Do not open the sealed envelopes!)

Students will be granted credit for work done on an equivalent level and for a similar amount of time in subjects that fit in the student's program of study. Transferable courses must have received grades of "C" or higher. Transferred grades will be included in the student's overall grade point average (GPA).

Formal transfer credit evaluation is done by the Admissions Department after all official transcripts have been obtained and submitted by the student. In order to avoid an additional reassessment fee, all official transcripts should be received by Admissions within 60 days of the student’s acceptance letter from LCU.

To receive one of our Christian degrees, students must take or transfer in credits covering Program #1 subjects and complete a minimum of 30 credit-hours in one of our programs.

For enrollment instructions, see the section entitled “Application Process."

Bible Teaching Experience Credit

Bible Teaching Experience (BTE) credit recognizes academic study for the preaching and teaching of the Word of God in formal classes or services sanctioned by the church, such as adult services, children's church, and youth services. To qualify for BTE credit, the majority of the material presented should result from the instructor's own study of the Word of God and not rely upon use of pre-printed curriculum. Experienced ministers should see the Bible Teaching Experience Application form in Appendix A for details.
There is a $40 evaluation fee that must accompany the BTE Application at the time of submission. A further fee of $15 per credit-hour (undergraduate level) or $20 per credit-hour (graduate level) will be assessed for each BTE credit-hour awarded. If no BTE credit is awarded, the student incurs no additional fee.

The BTE Application must be received by Admissions within 60 days of the student’s acceptance letter from LCU. Qualifying students will receive a BTE Award Letter from the Office of the Registrar showing the BTE credits for which the student is eligible and the total Credit Awarded Fee due. Upon remittance of the Credit Awarded Fee, the BTE credits will become official.

STANDARD OF CONDUCT

Personal Habits
Students are expected to live in accordance with the scriptural ideals of Life Christian University and to be a good testimony for Jesus Christ. Students are expected to abstain from the use of all addictive substances. (Grace is extended to those who are recovering from addictions: we expect the life-transforming Word of God to help such students walk in victory.) Students are also expected to maintain behavior that is above reproach in relationships with the opposite sex, avoiding even the appearance of evil (1 Thess. 5:22).

Academic Honesty
Academic honesty is expected from all students. Academic dishonesty, such as cheating on an exam or plagiarism (the intentional or unintentional presentation of another's work as one's own) will not be tolerated. Such an exam will receive an "F". A paper with a plagiarized section will receive an "F". In such cases, the student will be required to pay a $150 fine, retake the course and redo the exam or rewrite the paper. Students who repeatedly cheat or plagiarize will be dismissed.

Dress Code
Although a dress code for distance learning students is not enforceable, LCU would like to remind students that as ministers of the Gospel, they will be representing the King of Kings and Lord of Lords. Modesty, femininity, and good taste are the guiding principles of women's dress. Being well-groomed, clean, neat, and tidy are the guiding principles of men's dress.

COURSE REQUIREMENTS
In addition to listening to all of the course lectures, students are expected to read all textbooks; take all quizzes, tests, and exams; and submit all required research
papers. A guide for preparing research papers acceptable at LCU can be found in Appendix B of this handbook. A pdf version is available to download from our website. To aid students in typing and formatting their research papers, a template in Microsoft Word is also available for download from our website.

▼ MASTER’S & DOCTORAL STUDENTS SPECIAL REQUIREMENTS

All Master’s and Doctoral students must complete all course requirements, submit a mandatory 6-page research paper, and complete 200-300 additional pages (minimum 500 pages total) of reading to receive graduate or post-graduate credit for the course. If the course requires undergraduate students to submit a 6-page research paper, graduate and post-graduate students must submit a 12-page paper.

Master’s and Doctoral level students writing a thesis or dissertation must submit a formal thesis/dissertation proposal to the Main Campus which must be approved in advance of any student work. Master’s and Doctoral students should request a copy of the official Thesis and Dissertation Guidelines from their Student Advisor. Every thesis and dissertation must follow these guidelines. All dissertation work must be an original and thorough treatment of the subject area chosen and be of publishable quality.

▼ COURSE COMPLETION

There is no deadline for the completion of the course and the submission of the exam for online students. Most online students find that an average of 4-6 weeks per course works well for almost any schedule. If a personal emergency prevents you from completing your course requirements, please call your Student Advisor. As a staff, we pray for our students every day, and we would be happy to pray for your specific needs as well.
\section*{STUDENT POLICIES}

\subsection*{Failing Grade}

If a student fails a course, they will have to pay tuition again and take the course again. The failing grade will then be replaced by the student’s new grade.

\subsection*{Ministry Practicum}

Our Ministry Practicum gives students a chance to put to use what they are learning in their classes while being a blessing to the Body of Christ.

\textbf{Freshmen, sophomores, and juniors} are required to serve a minimum of 72 hours during each 9-course program of study. Ministry Practicum hours must be valid work sanctioned by the student’s local church, providing training for the student and helping the church. Ministry Practicum does not include student ministry independent of the local church. This service, verified by a church leader, earns the student 3 credit-hours. Ministry Practicum hours can be served as a volunteer in the ministry of helps (for example as a greeter, usher, Sunday School assistant, youth worker, nursery attendant, etc.) or as paid staff.

See Appendix A for a \textit{Ministry Practicum Summary Log} which students should use to properly document their volunteer hours.

\textbf{Seniors}: during the final year of working toward a Bachelor’s degree, a percentage of the Ministry Practicum hours must be in a student’s area of specialization. For example, for a Bachelor of Theology, 50\% of your MP hours (36 hours) must be for preaching or teaching in classes sanctioned by the local church. See the \textit{Ministry Practicum Form} for details.

\textbf{Master’s-level students} are required to serve in their local church and/or community for a minimum of 176 hours during their program of study. A percentage of the Ministry Practicum hours must be in a student’s area of specialization. For example, for a Master of Theology, 50\% of your MP hours (88 hours)
must be for preaching or teaching in classes sanctioned by the local church. See the *Ministry Practicum Form* for details.

NOTE: Ministry Practicum credit will only be granted after a student has completed 9 courses at LCU within each program.

**V MISCkELAEOUS FEES**

Students will not be allowed to receive official transcripts or participate in the Main Campus commencement exercise as long as outstanding fees have not been paid. All fees are non-refundable.

**Application Fee**

There is a $40 application fee. This fee covers both processing the application and assessing academic standing.

**Cap and Gown Fee**

Online students are invited to participate in the annual commencement ceremony at LCU Main Campus in Tampa, Florida. For students who want to participate, there is a $40 gown rental fee. See the section entitled “Graduation Requirements” for full details.

**Official Transcript Request Fee**

Official transcripts are issued by the Office of the Registrar, provided the student’s account is paid in full. An LCU Transcript Request Form can be found in Appendix A under Student Forms. One official transcript is provided free of charge at each graduation. Additional transcripts cost $10 each.

**Returned Check Fee**

A student will be charged $25 for any check returned to LCU because of insufficient funds.

Undergraduate Programs

▶ THESE CHRISTIAN DEGREES ARE AVAILABLE:

- Diploma in Theology
- Associate in Theology
- Advanced Diploma in Theology
- Bachelor of Theology
- Bachelor of Pastoral Ministry
- Bachelor of Christian Education

▶ UNDERGRADUATE TRACKS

Undergraduate course work is established in four programs. Each program is made up of 9 courses and 1 Ministry Practicum for 3 credit-hours each, making a total of 30 credit-hours per program. At Main Campus, each of these programs is completed within a single year. Online students may complete them more quickly or slowly since they are working at their own pace.

▶ PROGRAMS #1, #2, & #3 FOR ALL TRACKS *

Program #1 is foundational in nature and required for all students. It is designed to give each student a solid foundation for their own personal life and Christian walk. Program #1 addresses the four areas where Satan tries to keep a believer from being successful in life: faith, health, provision, and character. Program #1 also includes courses on the ministry of Jesus and a survey of the New Testament.

*NOTE: For a degree in Theology: Programs #1, 2, 3, 4, and 5 must be taken in order even if you have advanced placement because of transfer credit or BTE. For example, if you have 60 hours of transfer credit, you will take Program #1 in your Junior year, Program #2 for your Bachelor's degree, Program #3 for your Master's degree, and Program #4 for your Doctor of Ministry degree.

For a specialized degree: See your specialized program's requirements.
**Program #2** is designed to give students a “jump start” into fulfilling the call of God on their lives. These courses provide training in such basics as Bible study, prayer, preaching, various giftings, and flowing with the anointing. Program #2 also includes a survey of the Old Testament as well as a course designed to help students discover their own purpose in the Kingdom of God.

**Program #3** provides in-depth study of important books and doctrines of the Bible that will equip students to take their place in the mighty end-time move of God. Students will gain a deeper revelation of who God is and what He has already done for all believers. Understanding God’s great love and grace compels us to share His love with others. Such study will help students achieve a greater degree of effectiveness in any area of church-related ministry.

LIFE CHRISTIAN UNIVERSITY IS A THEOLOGICALLY ACCREDITED, educationally accountable institution of higher learning. Our educational programs are designed to help students grow in their faith as they prepare to follow the Lord in the work of the ministry. For this reason, LCU has chosen to be accredited through Accrediting Commission International. ACI is an internationally known, non-profit, church educational organization. They handle the accreditation of Christian theological seminaries, universities, and colleges throughout the world, providing supervision for almost 300 schools in 8 countries and in 38 states of the U.S.

WHY ACCREDITATION?

Accreditation in the U.S. is a voluntary submission to standards of high academic quality, accurate record keeping, and ethical policies and practices. Accreditation is essentially a statement of approval. The best accrediting commissions provide an on-site visit to ensure their high standards are met.

The U.S. government does not accredit schools. Instead, the United States Department of Education (USDE) approves associations which accredit schools. The regional governmental accreditation associations serve as inspectors and overseers to regulate the nearly 80 billion dollar congressionally-approved taxpayer investment in higher education known as “Title IV Funding.”

The United States Department of Education has said, “It should be noted that some institutions have chosen not to participate in the federal student aid program and therefore do not have to be approved by an accrediting agency recognized by the Department.” In actuality, the vast majority of Bible colleges and seminaries choose not to be governed by the USDE and do not seek regional accreditation.
WHY NON-GOVERNMENTAL ACCREDITATION?

LCU has chosen not to seek governmental school accreditation because we believe we should not allow secular institutions to dictate the qualifications for instructors or the programs for a Spirit-filled ministerial degree.

As an independent accrediting agency, ACI helps the religious world obtain accreditation that is not government affiliated. The form of ministry accreditation provided by ACI is recognized by most churches, ministry institutions, and ministry organizations. All ACI member institutions around the world accept credits from other member schools, if the credits apply to their programs.

MEETING AND EXCEEDING STATE REQUIREMENTS

Life Christian University has fulfilled rigorous educational requirements in our determination to acquire and maintain a quality educational program. LCU is a state-authorized school, recognized by the Florida Department of Education’s Commission for Independent Education, having fully met and exceeded the requirements of state law. Additionally, in each of the many states where LCU has campuses, we have met and exceeded the requirements of their State Departments of Education as well.

LCU offers academic programs that are specifically designed to equip students who feel the call of God on their lives and who wish to build a ministerial career or to further their Christian education. Our academic programs are not for persons intending to build secular careers. The articulation and acceptance of credits or degrees by other institutions, including employers, must be determined by the respective institutions.

MINISTRY PRACTICUM

Our Ministry Practicum (MP) gives students a chance to put to use what they are learning in their classes while being a blessing to the Body of Christ. MP work is REQUIRED of all Audit, Undergraduate, and Master’s students. For details, see “Ministry Practicum” in your Student Handbook.

Keeping track of your Ministry Practicum hours:
Keep a log of all your MP hours on a separate piece of paper. For each type of ministry (usher, greeter, choir, etc.), note your start date and log each week’s hours.

Before your graduation, or as your ministry assignment finishes, note the stop date and add up your total hours for that type of ministry. Write this information on the Ministry Practicum Summary Log. Then have your supervisor sign in the space provided. (In the example below, the student helped usher for 36 weeks for 1 1/2 hours each week for a total of 54 hours.)

### 3. SERVICE RECORDS

<tr>

<td>11-1-13</td>
<td>12-20-13</td>
<td>50</td>
<td>Printed Name B. Here</td>
</tr>
</tbody>
</table>

Before your graduation, write the grand total of hours worked in the box at the bottom of the page. Make a copy for yourself, then turn this form in to your Student Advisor at least 8 weeks before graduation. NOTE: If necessary, students may continue working to complete their ministry practicum after their coursework is finished.

**BACHELOR-LEVEL STUDENTS ONLY:**
During the final year of working toward your Bachelor’s degree, a percentage of the 72 Ministry Practicum hours must be in your area of specialization as follows:
- Bachelor of Theology: 50% of your MP hours (36 hours) must be in teaching or preaching*.
- Bachelor of Pastoral Ministry: 50% of your MP hours (36 hours) must be in pastoral ministry.
- Bachelor of Christian Education: 100% of your MP hours (72 hours) must be in Christian education.

**MASTER-LEVEL STUDENTS ONLY:**
If you are working toward your Masters degree, you must serve a minimum of 176 hours.
- Master of Theology: 50% of your MP hours (88 hours) must be in teaching or preaching*.
- Master of Pastoral Ministry: 100% of your MP hours (176 hours) must be in pastoral ministry.

*Teaching or preaching can be done in a number of settings, not necessarily from the pulpit. MP can include any occasion when a student ministers the Word of God, if signed off by a church leader. Download Form: Stu-5A, which gives ideas on additional places to minister as well as complete details on how to calculate ministry preparation time.

In this paper, every opinion from someone else has been indicated by a reference placed at the end of that information. I realize that the mere presence of a reference does not avoid plagiarism. If I have used the exact words, phrases, clauses, or sentences of someone else, I have enclosed that information in quotation marks. If I have paraphrased the opinions of someone else, I have not enclosed the paraphrase in quotation marks, but I have stated those opinions in my own words. I have introduced the paraphrase and put a reference at the end of it.

RESEARCH PAPER GUIDELINES

INTRODUCTION

Writing is a vital part of any college experience. Writing a college paper encourages you to gather thoughts from other sources (including references from Scripture), formulate your own conclusions, and then express them in a logical and cohesive manner. These Research Paper Guidelines give students an example of how to handle a title page, a table of contents page, the introduction, the body of the paper, the conclusion, and the bibliography. Your paper should look like this document, printed on a single side of the paper.

I. GRADING GUIDELINES

All course papers will be reviewed with the following grading guidelines in mind:

50% Content of the paper (What ideas were presented? What conclusions were made?)

25% Research (Was the course text read? Was additional research performed? Was this demonstrated through the use of quoted material?)

10% Delivery & Style (Was correct spelling, punctuation, grammar, and sentence construction used?)

15% Presentation (Were the Research Paper Guidelines followed? Was there an introduction? Was there a thesis statement? Were correct in-text references made for quoted works? Was there a conclusion? Was there a bibliography? Was the bibliography correctly formatted?)

1 These guidelines apply to general course papers for both undergraduate and graduate students. Only portions apply to a Master’s thesis or a Doctoral dissertation. Master’s and Doctoral level students can download a copy of the Thesis or Dissertation Writing Guidelines from the Student/Alumni section of the LCU website (www.lcus.edu).
II. RESEARCH PAPER GUIDELINES

Every research paper must be typewritten using a 12-point business-like font. The finished paper should be fastened at the top left with a staple for easy review and grading. No other fancy cover is needed or required. All pages except the title page and table of contents should be numbered at the bottom in the center of the page. Each page should have margins of 1” on the left, right, top, and bottom. Typing should be double-spaced. Indent the first line of each new paragraph 1/2”. Do not use extra space between paragraphs. (Download LCU Research Paper.doc from www.lcus.edu and use it as a Microsoft Word template. Simply highlight each line, then type your own information onto the title page. Continue to highlight and replace the paragraphs in the template with your own paper’s main topics, subtopics, and information.)

Research papers should include the following: a title page, a table of contents page (optional for 6-page papers), and then the body of the research paper.

The title page includes the title, your name, the course name, the name of the school and the date of the paper. The title page does not count toward any required number of pages. The title page of these Research Paper Guidelines is an example of an acceptable title page.

The information on the table of contents page helps the reader better understand the paper’s content. It also helps the writer make sure there is a logical flow of thought. Each section of the paper (Introduction, Conclusion, and Bibliography) and the main topics and subtopics should be listed followed by the correct page number. The table of contents page does not count toward the required number of pages. The table of contents page of these Research Paper Guidelines is an example of an acceptable table of contents. (Note: A table of contents is required for a 12-page graduate-level paper.)

The title of the paper should be centered at the top of page 1. Use capital letters, in a
bold, large font. Next comes the **introduction**, which explains what the paper will cover. The word “INTRODUCTION” should be centered, in capital letters, in a bold, large font, with extra space above and below the word. Your first page should look like the top of page 1 of these *Research Paper Guidelines*. Within the introduction, include your thesis statement, a single sentence that summarizes the main point of your paper and gives your point of view. The rest of your paper gathers and organizes evidence to convince the reader of the validity of your position.

**III. MAIN TOPICS IN THE BODY OF THE RESEARCH PAPER**

The main topics of the paper should be numbered in Roman numerals. Use capital letters in a bold, large font, with extra space above and below. Please note that the main topics are not centered, but are to the left of the page.

**The Importance of Subtopics**

When you have subtopics under main topics, you should center the title of the subtopic, but you should not capitalize all the letters. You should only capitalize the first letter of the first word, the last word, and any other important word. Do not put extra space above or below it.

**Other Divisions**

If it is necessary to divide further under the subtopics, you should start writing the title at the far left of the page. The title should be in bold face letters, and the first letter of the first word, the last word, and any other important word should be capitalized.

**Be Sure To Make Paragraph Breaks**

It is very difficult to read an entire page of text with no breaks or extremely long paragraphs. Each paragraph should represent a main thought. When a new thought is introduced to the reader, make a new paragraph. The average paragraph should have three to five sentences.
IV. RESEARCH YOUR TOPIC

Research your topic, documenting any published works you have used. As you develop your conclusion, the facts you have gathered from your course, your textbook, the Bible, and other published works will serve as “witnesses” to add credibility to your case. You may include items of “common knowledge” without giving a reference. Common knowledge includes facts, dates, and concepts that an educated person will generally know. You do not need to document such common knowledge when it is expressed in your own words. You may preface common knowledge with statements such as “History shows…” or “Experts agree…”

Example: Most experts agree that vitamin C is good for colds.

When in doubt about whether or not a fact is common knowledge, it is better to document your source.

Report most of your findings in your own words – we are interested in your thoughts and insights. Paraphrase and summarize what you have learned. Then use your own words to tie together all the facts you have discovered in your research. Give your own conclusions and tell why you believe as you do. Tell how these truths have impacted your life. Do not write a paper which consists mostly of quoted material – even if you properly cite each source. As a rule of thumb, a paper should consist of no more than 20% directly quoted material (quotes from Scripture are not included in this percentage) and no more than 20% personal testimonies or anecdotes.

V. HOW TO GIVE CREDIT FOR QUOTED MATERIAL

When you make reference to the writings of another, you must give credit to the author or source. You do this by putting the author’s name and page number in parentheses immediately
following the quoted material. This refers the reader to complete information on your source that you provide in your bibliography at the end of your paper.

When you quote four or fewer lines, include the quoted material as part of your paragraph. Be sure to use quotation marks. Give credit to your source as follows: “Put a parenthesis, then the last name of the author, followed by the page number(s) from which the information came, followed by a parenthesis” (De la Torre 9).

If you quote more than four lines, then they should be indented as follows:

When your quotation is longer than four lines (for example 4.5 lines), the quoted material should be indented and single spaced. On a longer, indented quote, you should not use quotation marks. Remember though, to always show where you got your information by referencing the work cited on your bibliography. Note: the parenthetical reference does not count toward the total number of lines (De la Torre 34).

Multiple authors are cited in a similar way. Both names are included and joined by the word “and, ” for example: (Weikel and De la Torre 47). In case you quote from two authors with the same last name, write the last name of the author, and the initial of the first name, for example: (De la Torre, O. 36). If you quote from two or more works from the same author, list the author, a comma, the title of the work (in italic), and the page number(s), for example: (De la Torre, How To Write an Essay 78). Even if you don’t quote an author directly but merely summarize his words, you must reference this information. See the Addendum on Plagiarism (pages 9-10).

**Proving Your Point with Scriptures**

When writing your paper, don’t forget you can turn to the Word of God as a source for your research! It is best to pick one version of the Bible to use for all Scripture quotes and to note that version in the bibliography. When a general note has been made, the author needs to indicate the version only when an alternate version is used (Hudson and Townsend 134-135).
Charity suffereth long, and is kind; charity envieth not; charity vaunteth not itself, is not puffed up, Doth not behave itself unseemly, seeketh not her own, is not easily provoked, thinketh no evil; Rejoiceth not in iniquity, but rejoiceth in the truth; Beareth all things, believeth all things, hopeth all things, endureth all things. Charity never faileth (1 Corinthians 13:4-8).

No version is cited because the predominant version used by the author is the KJV. Notice that words that are italicized in the King James Version should not be italicized when quoted, since they were not intended for emphasis. Neither do you need to set each verse as if it were a separate paragraph. The actual paragraph breaks in the King James Version are indicated by the paragraph symbol (Hudson and Townsend 80-81).

Indicate the use of an alternate version of Scripture as follows: “Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs” (1 Corinthians 13:4-5 NIV).

Quoting from the Internet

A research paper is a document that provides credible facts and opinions by those who are considered to be established experts in their field of study. *The Scott Foresman Handbook for Writers* warns, “The Web is not a library designed to support research. Online information is not (like library resources) systematically cataloged, edited, or reviewed. So you can’t treat the Web like a library or assume that information you find there is always reliable” (Hairston, Ruszkiewicz, and Friend 703). The authors further state, “Make it a habit to confirm any statistic, fact, or claim from such a source with information from a second and different type of authority – a published book, an article, a reference work” (707).

The Order of Punctuation

Notice the order of punctuation after an in-text citation. First, end the quoted material with a quotation mark, then comes the reference in parentheses, then the closing period. If a question mark or an exclamation mark is part of the quoted material, include it inside the
quotation marks, then give the reference and close with a period: “How shall we, that are dead to
sin, live any longer therein?” (Romans 6:2).

VI. HOW TO DO A BIBLIOGRAPHY

“BIBLIOGRAPHY” should be centered, in capital letters in a large, bold face, with extra
space below the word. This is a list of books from which you gathered information to write your
paper. The list of books should be in alphabetical order according to the author’s last name.
Page 10 of these Research Paper Guidelines is an example of an acceptable bibliography.

(NOTE: Tech-savvy students may use www.citefast.com to format a bibliography. To match
LCU guidelines, you must choose “Chicago” style.)

First, list the last name of the author, followed by the first name and a period. If there is
more than one author, write the last name of the first author, a comma, then their first name, then
a comma and the word “and” followed by the second author’s first and last name and a period.
Notice that only the first author’s name is inverted. Put two spaces between the name of the
author and the title of the book, which should be set in italic. After the title of the book, put a
period, then space twice, and write the place of publication. Give the name of the country if
published outside of the country where you reside. Then put a colon and the publishing house,
followed by a comma and the date of publication. A period goes at the end of every entry.

If the work consists of more than one volume, list the number of the volume you used.

If the person is not the author, but the editor, you should put a comma after the name and
write the letters “ed.” If there were two or more editors, write “eds.”

If using modern translations of the Bible, check the copyright notice on the copyright
page of each particular version. It will tell you exactly how that particular publisher wants
notation made in the bibliography.
Document an online source as follows: list title of webpage between “ “ “ ”, title of site underscored, date of electronic publication (if known), sponsor of the site, the full web address enclosed between < >, and the date you examined the site. See the example from the Plagiarism.org website in the bibliography.

As with the title page and the table of contents, the bibliography does not count towards your required number of pages.

VII. PROOFREAD YOUR PAPER

Be careful to proofread your paper before you turn it in. You never know who will eventually read it! Check for misspelled words, typographical errors, and errors in punctuation.

Because writers become so familiar with what they have written, it is easy for them to skip over mistakes. We strongly suggest you have someone with a keen eye and a good command of the English language proofread your paper for you. We do not consider it cheating to have someone proofread your paper. If you need help with spelling and grammar, get some help! We are looking more at your ideas and your grasp of the material covered in the course than at your grammar and spelling. If it is not possible for someone else to proof your paper, you can put your paper away and proofread it after several days when your mind is clear. It is common for professional writers to proofread their work several times to insure they catch all mistakes.

CONCLUSION

The word “CONCLUSION” should be centered, in capital letters in a large, bold face, with extra space above and below the word. A strong conclusion is the finishing touch on your research paper. In the conclusion, you should give a brief summary of the paper, restating why
you believe as you do. Do not add any new information at this point, since the conclusion is only a summary of what has already been stated.

ADDENDUM ON PLAGIARISM

We all have access to endless information on the Internet. People “borrow” or “copy” things every day and freely put them on their blogs and Facebook pages. Most people no longer see this as an issue. If something is published, it is “out there,” and available to copy. Right? However, this “blog-style” thinking is all wrong when it gets transferred into the academic world. So don’t do it!

WHY IS IT WRONG TO COPY-PASTE IN A RESEARCH PAPER?

Many students plagiarize – and don't think anything about it. The website “plagiarism.org” states the problem clearly: “In a research paper, you have to come up with your own original ideas while at the same time making reference to work that's already been done by others. But how can you tell where their ideas end and your own begin? What's the proper way to integrate sources in your paper? If you change some of what an author said, do you still have to cite that author?”

Basically, your research paper shows that you have assimilated the course’s content. You have received illumination from your lectures, reading, and research. You have integrated these new ideas with things you already knew. Your research paper is a chance to clearly document your own personal thoughts and conclusions on the topic. It should be as original as you are! In this context, plagiarism is a fraudulent act. Not only did you steal someone else’s ideas, you then lied about it, claiming them as your own!

Schools are having to re-educate students about what plagiarism is and how to avoid it. They have also developed systems that can easily check to see if sections of a student’s paper have been copy-pasted. The rules on academic honesty have not changed: those caught committing plagiarism are subject to dismissal.

NOTE: Those preparing for ministry should hold themselves to the highest standard possible. Knowingly plagiarizing is lying to the Holy Spirit. How can anyone expect to be placed in ministry by the Lord if they lie to the Holy Spirit?
